British Journal of Hospital Medicine

# Index/volume 38

July – December 1987

Abortion, recurrent, *see* Walkabout: Progress in Obstetrics and Gynaecology
Abdominal surgery in the elderly. DL Crosby.. 225
Abramson, AS. Cerebral resuscitation: let the clinician be wary. *Editorial* ..... 277
Abscess, intradiaphragmatic: a complication of biliary sepsis. *Case report* KC Ballantyne and JFR Robertson..... 369
Abuse, *see* Child abuse
ACE inhibitors in the treatment of hypertension. AJS Coats ..... 531
*Achieving a Balance* — no simple solution. *Corres* RC King; E Shore ..... 264
T Farewell; E Shore..... 265
Acrodermatitis enteropathica..... 196
Actinomycosis, abdominal: a forgotten disease? MD Stringer and AEP Cameron..... 125
Acupuncture analgesia, the mechanisms of. JMG Foster and BP Sweeney ..... 308
Addiction, opiate, what is the most effective way to treat? *Editorial* M Gossop..... 161
Adolescent suicide. *Corres* DJ Brooksbank..... 578
**Aggett, PJ.** Inborn errors of trace metal metabolism..... 190
Agonists/antagonists, opioid, in general anaesthesia. DJ Wilkinson..... 130
AIDS,
and dementia.*Editorial* M Riccio and C Thompson..... 11
*Corres* J Catalan and I Klimes..... 579
I Harvey and MA Ron; C Thompson and M Riccio ..... 580
changing attitudes to. *Corres* H George; KL Granville-Grossman..... 385
how to die of ignorance without catching. *Corres* R Persaud..... 265
in pregnancy, *see* Walkabout: Progress in Obstetrics and Gynaecology
nursing care of patients suffering from. *Editorial* J Elliott..... 97
phobia. *Editorial* C Thompson and M Riccio 167
the radiology of. S Barter ..... 214
Air embolism, fatal, central venous catheterization and. PH Seidelin et al.... 438
Air encephalography..... 354
**Allan, RN,** *see* **Keighley, MRB et al**
Allason-Jones, E. Gay bowel syndrome. *Editorial*..... 397
Anaesthesia,
checking equipment before. *FFARCS suppl* JM Chapman ..... 470
day-case, techniques for. *FFARCS suppl* G Cooper..... 69
for neuroradiology. FJM Walters ..... 351
general, mechanisms of some pulmonary effects of. *FFRACS suppl.* JG Jones. ..... 472
general, opioid agonists/antagonists in. DJ Wilkinson..... 130
monitoring in: standards. *FFARCS suppl* AMS Black ..... 71
Anaesthetic depth, evaluation of. PS Sebel..... 116
Analgesia, acupuncture, the mechanisms of. JMG Foster and BP Sweeney ..... 308
Aneurysms, inflammatory abdominal aortic. *Corres* AV Pollock ..... 384
Angina,
choice of therapy in. RM John and RH Swanton..... 412
trends in the treatment of. *Walkabout* ..... 143
Angioplasty research, laser coronary. *Corres* BE Keogh and KM Taylor..... 81
Angiotensin-converting-enzyme inhibitors in the treatment of hypertension. AJS Coats ..... 531
Arterial reconstruction, the principles underlying graft selection for. *FRCS suppl* SRG Smith..... 358
Atherosclerosis and coronary heart disease, aetiology of. MJ Ball and JI Mann..... 404
Atrial rupture in osteogenesis imperfecta. *Case report* JSK Wong..... 139
Autonomic dysfunction. CJ Mathias ..... 238
Autumn book review supplement..... 376

**Babiker, IE.** Rehabilitation in psychiatry ..... 112
Badenoch, Sir J. Talking to patients. *Editorial*.. 403
**Ballantyne, KC and Robertson, JFR.** Intradiaphragmatic abscess: a complication of biliary sepsis. *Case report* ..... 369
**Ball, MJ and Mann, JI.** Aetiology of atherosclerosis and coronary heart disease..... 404
Banerjee, AK. Art and style in medicine. *Corres*..... 150
**Barnett, M,** *see* **Frener, R et al**
**Barter, S.** The radiology of AIDS..... 214
**Barton, SE, Taylor-Robinson, D and Harris, JRW.** Female prostitutes and sexually transmitted diseases ..... 34
Basal cell naevus syndrome. JA Woolgar et al .. 344
Begley, CG, *see* Williamson, DJ and —
Benzodiazepines, effectiveness of. *Corres* J Dunn ..... 385
Beta blockers..... 144
in angina..... 414
Biliary sepsis, intradiaphragmatic abscess, a complication of. *Case report* KC Ballantyne and JFR Robertson..... 369
**Black, AMS.** Monitoring in anaesthesia: standards. *FFARCS suppl* ..... 71
Blood volume, blood loss and blood replacement, assessing. PR Rawle and HF Seele..... 554
Book reviews.....78, 145, 261, 376, 576
Bowel,
obstruction, small, an unusual cause of. *Case report* DJ Jones..... 462
syndrome, gay. *Editorial* E Allason-Jones ..... 397
Bradbeer, C. Diaphragms *and* condoms for prostitutes. *Corres*..... 385
Breast cancer screening,
limitations of telediaphanography for. *Corres* AO Langlands ..... 266
rival technologies in. *Corres* PNT Wells..... 384
Brewer, C. The pros and cons of naltrexone detoxification. *Corres* ..... 80
Bridges, PK,
Psychosurgery — a very effective last resort. *Corres*..... 263
The case for psychosurgery. *Corres* ..... 147
**Brincat, M,** *see* **Savvas, M et al**
Brooksbank, DJ. Adolescent suicide. *Corres*..... 578
**Browne, RM,** *see* **Woolgar, JA et al**

**Cameron, AEP,** *see* **Stringer, MD and —**
Campion, PM. Stroke units — fact not fiction. *Corres*..... 149
Cancer,
rectal, stoma avoidance in. PJ Finan ..... 294
talking about: how much is too much? MS Slevin..... 56
*Corres* RCF Leonard et al; MS Slevin..... 579
Cancer patients and their families and friends, evaluation of a support group for. H Plant et al ..... 317
Carcinoma,
finger clubbing and. *Corres* R MacCormick... 386
of the urachus. *Case report* FT Curran et al .. 463
Cardiomyopathy, hypertensive hypertrophic, of the elderly. *Case report* DB Northridge et al ..... 567
**Cartwright, KAV.** Meningococcal meningitis. 516
Catalan, J and Klimes, I. CNS involvement in HIV infection. *Corres*..... 579
Catheterization, central venous, and fatal air embolism. PH Seidelin et al..... 438
Central venous catheterization and fatal air embolism. PH Seidelin et al..... 438
Cerebral resuscitation: let the clinician be wary. *Editorial* NS Abramson ..... 277
**Chapman, JM.** Checking equipment before anaesthesia. *FFARCS suppl.* ..... 470
Child abuse. *Editorial* S Wolkind..... 497
Childhood, plasma lipoprotein disorders in. JK Lloyd..... 184
**Clements, R and Griffiths, GJ.** Prostatic ultrasound..... 549
**Coats, AJS.** Angiotensin-converting-enzymes in the treatment of hypertension ..... 531
Cohen, NH, *see* Fyffe, JA et al
Cold, effects of, on old people. KJ Collins..... 506
Colledge, NR, *see* Northridge, DB et al
**Collins, JE and Leonard, JV.** Hepatic glycogen storage disease..... 168
**Collins, KJ.** Effects of cold on old people..... 506
Colony-stimulating factors. *Editorial* DJ Williamson and CG Begley..... 281
Colostomy, *see* Stomas (symposium)
Conference reports, *see* Walkabout
*Conflict:*
Cuts — and a cure? D Holdstock..... 142
Family planning for mentally handicapped girls. B Johnston ..... 481
The lowest form of medical life. GM Hunter 256
What are hospitals for? N Coni ..... 575

Coni, N. What are hospitals for? *Conflict* ..... 575
Consent for transplants. *Editorial* CJ Rudge ..... 93
Contrast media, the rising costs of. *Editorial* P Dawson ..... 163
Cook, CCH and Lipsedge, MS. The pros and cons of naltrexone detoxification. *Corres* 79
**Cookson, J.** The development of new drugs for the treatment of schizophrenia ..... 542
**Coombs, LJ,** *see* **Dobb, GJ** and —
**Cooper, G.** Techniques for day-case anaesthesia. *FFARCS suppl* ..... 69
Coronary angioplasty research, laser. *Corres* BE Keogh and KM Taylor ..... 81
Coronary artery bypass surgery ..... 426
Coronary heart disease and atherosclerosis, aetiology of. MJ Ball and JI Mann ..... 404
Correspondence ..... 79, 146, 263, 384, 484, 577
*Corynebacterium parvum,* intrapleural. *Corres* J Costello; IS F iman ..... 149
